PROFESSIONAL SUMMARY

Frontend Developer specializes in React.js, JavaScript, and Tailwind CSS with experience building responsive web applications and delivering freelance projects for international clients. Currently in final year of BS Computer Science at National Skills University, Islamabad. Experienced in state management, REST API integration, and modern frontend development workflows.

TECHNICAL SKILLS

Frontend: React.js, React Router, Tailwind CSS, Bootstrap, Responsive Design

State Management: Zustand, Context API, React Hooks

Tools & Workflow: Git, GitHub, VS Code, Chrome DevTools, npm, Vercel

API & Integration: REST APIs, Fetch API, Axios

Backend Basics: Node.js, Express.js, MongoDB

PROJECTS

E-Commerce Website *React · Tailwind CSS · Zustand*

- Fully responsive online shopping platform with product listings, cart functionality, and dynamic filtering.
- Designed user-friendly UI using component-based architecture with clean, reusable components.
- Simulates a real-world shopping experience using local state and modular file structure.

Portfolio Website *React · Tailwind CSS*

- Visually engaging personal site showcasing skills, projects, and contact information.
- Features smooth transitions, responsive layout, and strong attention to design detail.
- Live at hassanscode.dev demonstrating production deployment skills.

Mini React Applications *React · APIs · Hooks*

- Developed a suite of small-scale apps to solidify React fundamentals:
- Weather App fetches live data from OpenWeatherMap API
- Calculator custom logic with clean UI
- Quote Generator API-driven dynamic content
- Focused on component reuse, props management, custom hooks, and API consumption.

PROFESSIONAL EXPERIENCE

Freelance Frontend Developer | **Fiverr**

2025 – Present

- Delivered responsive frontend development projects for international clients.
- Built user-friendly interfaces using HTML, CSS, JavaScript, React, and Tailwind CSS.
- Maintained professional communication, handled revisions, and delivered work on time.
- Received 5-star client feedback for communication, delivery quality, and value
